ECR Pre-conference Welcome

As part of our upcoming conference, there will be an Early Career Researcher (ECR) event at Carrolls Bar. This is a chance to connect with other ECRs and find a few friendly faces before day one!

- Date: Monday, June 30th
- Time: 7:30 PM
- Location: Carrolls Bar, reserved area in the beer garden
- Address: 39 Dominick St Lower, Galway, H91 RX83, Ireland

We'll have a space reserved in the beer garden (note that we can only hold it for 30 minutes after the start time), and there'll be a food truck on-site if you'd like to grab dinner, or feel free to eat beforehand and just swing by for a drink and a chat.

Any questions, email s.healy-cullen@massey.ac.nz.
Looking forward to seeing some of you there!
